Misfits Fridays are open to all landsailors, their guests, or anybody who may be interested in landsailing and who would like to go for a ride. A helmet must be worn (we have extras) and a liability release signed. Hold on and have some fun.

Misfits Flat is located 13 miles east of Dayton, Nevada on HWY 50. Just before entering the town of Stagecoach, turn right on Breakaheart Road. Go down the dirt road 1 mile to gate, make a left onto the Flat. Please stay to the right and off the Lake Bed. We all stage on the south side of the Lake.
